New York Musical Review. FOR NOTHING!

We have in press, and shall publish ber, "ASAPH, on THE CHOIR BO We have in press, and stall publish in October, "ASAP" how THAN CHOUR BOOK," a new collection of Churca Music for Singing Schools and Choirs, by Dr. Lawez, L. Masson. Dr. Masson's last similar work, published in 1854, resched the enormous sale, in its first year, of over \$1,000 cupies, which is, we are confident, the largest sale ever 'rm joyed, in its first season, by any Church Music Book by a single suther. The work now in press will embrace nearly all new matter culled with great care from namerous sources, such, as it is believed, will be of the highest interest to Choirs and Singing School. Its Singing School Department is more extensive and complete than lu any previous work, being indeed, a complete work in itself, and forming an extensive collection of secular music, the words, as

A Foreign View .- A writer in one of the Lizerpool papers says:

The American government has proved its capacity to take care of itself, to dis-comfort those who makin it, to teach the nations of the warld what a united people could accomplish. What are the effects of all this? In the first place the North has all this? In the first place the North has conducted itself in a way that no government ever before slid undust itself in the ment ever before did conduct itself in the face of rebellion. The executive has sharped no ax, exected no pallous, or, trived no new instruments of torture, it has not visited treason with death, or, exahas not visited freason with death, w. usacred prisoners, or starved them, confiscation, except under conditions not neced upon, has not been resorted to. It has done precisely, as nearly as pessible, the revertes of all this. OPPICIAL REPORT OF THE BATTLE.

THE RAM ARKANSAS.

Chicago, July 27.— Specials to the Times from Memphis, on Sanday night says, the Arkansas succeeded in running through the whole fleet, and Parragut made an inflectual attempt to sink her. His entire fleet passed down the river, each vessel pouring a broaddide into her as she passed. The rebels acknowledge one seven-inchisted pointed shot went through her, but sasert that this is the only demagrate susassert that this is the only damage she sustained. A reconnoisance the next morn ing showed the Arkansas was undergoing repairs, but did not appear to be in any danger of sloking.

Washington, July 22.—The Navy De-

partment received the following to-day:
Cairo, July 21.--The rebtl gunboat
Arkansas, with 12 rifled 63-pounders, came
out of the Yazoo river Tuesday. She encountered first the Tyler, Carondelet and rem Lancaster. After a running fight of ten miles, the Carondelet closed with the ten mies, the Uarondelet closed with the tebel. Both vessels grounded, fighting side by side. The rebel being on the oct-side, succeeded in getting off. The Tyler steamed shead, maintaining the running fight until the fleet was reached.

Our transports being in range prevented an effective fire from our gunboats. The Arkansas succeeded in getting to Vicksburg, and under the shelter of the rebel batteries, to all appearance much injured. The tota Union loss was 27 killen and wounded among them the engineer and pilot of the Tyler. Faringut's entire fleet was below Vicksburg. Slight damage was done to our yearcls.

The great celebrity and the increasing demand for this treequalled preparation, convince the proportion that one trial is only necessary to asking a discerning public of its superior qualities over any other preparation at present in use. It cleanage the head and scalp from dandralf and other cutaneous discases, causes the halt of grow lurnitury, and gives it a rich, soft, glossy and floxible appearance; and also where the helf experience; and thinning, it will give attempt and vigor to the roots, and restore the growth to those parts which have become bald, causing it to yield a fresh covering of hair.

There are hundreds of ladies and gentlements new York who have had their hair matter and the preparations had failed. L. M. had in his possession letters innumerable testifying to the above facts, from persons of the highest respectability. It will effectually prevent the hair from turning gray and the latest period of life; and in cases where the hair has already changed its color, the use of the Innigorator will with oretantly restore it to its original hue, giving it a dark, glossy appearance. As a perfume for the tollet and a Hair Restorative it is particularly recommended, having an agreeable fragrance; and the great facilities it affords in dressing the hair, which, when moist with the Invigorator can be dressed in any required form to as to priency wit spince, whicher plain or in ourst-hence the great demand for it by the ladies as a standard olied article which none ought to be without, as the price placealt within the reach of all, being on the proper and the great facilities if affords in december of the total of all, being on the
